**AMEND Senate Bill No. 1415**

**House Bill No. 1250\***

by deleting all language following the enacting clause and substituting instead the following:

SECTION 1. The commissioner of environment and conservation is directed to conduct a study concerning the exemption for the open burning of wood waste in § 68-201-115(c)(1). The study shall include but not be limited to:

(1) The number of complaints received by the department of environment and conservation for the open burning of wood waste of which the department had no regulatory oversight; or

(2) Recommendations on regulating the open burning of wood waste. In regard to the recommendations, the commissioner is encouraged to work with the division of forestry of the department of agriculture to consider appropriate coordination with the division's burn permits and include such findings in the study. The commissioner of environment and conservation shall submit a report and report on the findings of this study of this study by January 15, 2010, to the chairs of the conservation and environment committee of the house of representatives, and the senate environment conservation and tourism committee.

SECTION 2. This bill shall take effect upon becoming a law, the public welfare requiring it.
